

Arvon Township School
Return to Learn and Continuity of Services Plan
2023-2024

Arvon Township School District will continue to prioritize full, in-person teaching and learning which provides the greatest benefit to students. Ensuring that this can happen both consistently and safely during the upcoming school year, Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for students and staff at Arvon Township School.

Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to make adjustments to mitigation strategies. Periodically, but not more than every six months, the plan will be reviewed and updates will be completed, if deemed necessary.
